To whom it may concern

I hereby request permission for our Scout _____,
from the _____ Group, to be allowed to:

leave his/her school early / be granted leave for the day

on **Friday 15 May 2026** to attend our annual Regional Kon Tiki scouting event.

Kon Tiki is an annual event held at a Regional level which involves Scouts from all over Gauteng and neighbouring regions to come together for a full weekend of Scouting activities, competitions and events. This is the premier event in the annual Regional Scouting calendar and is attended by over 3000 Scouts.

The Scouting program equips our youth with the necessary tools to face adulthood including wholesome values and morals, as well as hard skills the Scouting movement teaches our members, equipping them to become leaders. By attending our Regional events such as Kon Tiki we reinforce our leadership program, putting into practice these skills, values and principles.

I trust that you will accommodate my request.

Yours in Scouting
