

Raft Construction - Equipment Inspection

Fri 15th May 2026 14:30 to Fri 15th May 2026 22:00

Equipment → Preparation

1	Is there evidence of any pre construction? (Except Paddle wheels)	No	Yes		
2	Is all the equipment required to build the raft present for inspection (excl Décor)?	Yes	1-4 items missing	5-8 items missing	9+ items missing
3	Is there a first aid kit present?	Yes	No		
4	Is there a fire extinguisher present?	Yes	No		
5	Is an equipment list present?	Yes	No		
6	Is there more equipment present than is required / on the list?	Yes	No	No List	
7	Are the raft build instructions/raft logbook on site?	Yes	No		

Equipment → Ropes

8	What percentage of the ropes are hanked or neatly bundled?	100%	99 - 75%	74% - 50%	49% - 25%	24% - 0%
9	Are the ropes of different lengths easily distinguishable?	All	Some		None	
10	What percentage of ropes are in good condition? (bad ropes must be removed)	100%	99% - 75%	74% - 50%	49% - 25%	24% - 0%
11	Whippings - Mark the Majority	Sailmakers	W Country	Simple	Spliced	Other None
12	Are other materials used for whipping? (wire; glue; cable ties etc) (apply even for one rope)	All	Some		None	
13	Are the whippings or splicings done correctly?	All	Some		None	

Equipment → Poles

14	How is the pole thickness relative to length	All Good	Most Good	Some Good	None	
15	Are there cracks that render the poles unsafe for use? (Unsafe poles need to be removed)	No	yes			
16	What percentage of the poles are colour coded for length?	100%	99% - 75%	74% - 50%	49% - 25%	24% - 0%

Equipment → Barrels

17	Are there any defects rendering the raft drums/barrels unsafe for use? (Unsafe drums should be removed) e.g. cracks, tears, UV damage	No	Yes			
18	Is there any welding on the drums being as part of the raft? (Hooks; Loops; Cones. Etc.)	Yes	No	Only as build stand		
19	Are the drum lids / barrel bungs well sealed and barrel contents free from possible contaminants?	Yes	No			
20	What are the condition of the raft drums or barrels? (visual/scratch test)	Good	Little Rust	Rusty	Plastic little	Plastic damaged

perished

Equipment → Anchors

21	Number of APPROVED Anchors (Exclude makeshift anchors)	≥ 3	2	1	0
22	Is there 2 meters of chain on each anchor? (INCLUDING makeshift anchors)	Yes			No
23	Are the approved anchor ropes at Least 10mm Polyethylene or 12mm Manilla (INCLUDING makeshift anchors)	Yes			No
24	Are the approved anchor ropes at least 20m long? (EXCL makeshift anchors)	Yes			No

Equipment → Propulsion

25	Are there paddle wheel(s)?	Yes			No
26	If yes; are the paddle wheels assembled on site or commercial/manufactured?	Assembled/Pioneered	Commercial		None
27	Are there any other means for raft propulsion e.g. Bunting Poles or Oars? (Not a paddle wheel)	Yes			No

Equipment → General

28	Was the Team Leader (PL) and Asst Team Leader (APL) clearly identified (EG PL stripes on a pocket, on a hat, [A]PL armband, hat colour, etc etc)	Yes			No
29	Is the Team number visible at the build site?	Yes			No
30	Rate the teams current morale	Great	Good	Ok	Poor
31	Has the theme influenced the Raft Teams dress code	Themed Uniform (>1 item)	Themed shirt/hat/beanie/ etc (1 item)	Camp shirt	None

Raft Construction - Base Inspection Before Decking

Fri 15th May 2026 15:00 to Fri 15th May 2026 22:00

Base → Lashings - are they...

1	Started with the correct knot (percentage)?	100%	99%	75%	74%	50%	49%	25%	24%	0%
2	Ended with correct knot (percentage)?	100%	99%	75%	74%	50%	49%	25%	24%	0%
3	Correct type of lashing used (percentage)?	100%	99%	75%	74%	50%	49%	25%	24%	0%
4	Correct Number of frappings/turns (Minimum 2) (Percentage)?	100%	99%	75%	74%	50%	49%	25%	24%	0%
5	Are the lashings neat and symmetrical on the base (Percentage)?	100%	99%	75%	74%	50%	49%	25%	24%	0%
6	Shape correct (Bottom inside, Top outside) (Percentage)	100%	99%	75%	74%	50%	49%	25%	24%	0%
7	Correct thickness of rope for the size of the pole (percentage)?	100%	99%	75%	74%	50%	49%	25%	24%	0%
8	Correct rope length for size of the pole (no joins)?	No joins	1 join	2 joins	3 joins	4+ joins				
9	Are the lashings tight enough (percentage)?	100%	99%	75%	74%	50%	49%	25%	24%	0%

Base → Poles

10	Is the thickness of the pole correct for the position that the pole is used?	All correct	1 incorrect	2 incorrect	3 incorrect	4+ incorrect
11	Is the distance between poles correct for attaching the drums/barrels?	Yes			No	
12	Are all pole intersections lashed?	Yes			No	

Base → Barrels

13	Are the plug holes horizontal across the drum (percentage)?	100%	99%	75%	74%	50%	49%	25%	24%	0%
14	How many Drums/Barrels are there attached to the raft?	15+	12 - 14	9 - 11	Less Than 9	No Drums				
15	Are there at least 2 lashings holding on each drum/barrel (percentage)?	100%	99%	75%	74%	50%	49%	25%	24%	0%
16	Are the barrel lashings tight (percentage)?	100%	99%	75%	74%	50%	49%	25%	24%	0%
17	Are the lashings securely holding the drums/barrels in place (percentage)?	100%	99%	75%	74%	50%	49%	25%	24%	0%
18	What type of flotation devices are being used? (drums, barrels, bottles)	210L Plastic	210L Metal	Bottles	Other					

Base → Build Site

19	Does the WHOLE raft and ALL equipment fit within the allocated building site?	Yes			No
20	Is there equipment blocking paths and walk ways? (Are they not being considerate to others)	Yes			No

Base → General

21	Is the equipment on the construction site systematically organised	Yes	Somewhat	None
----	--	------------	-----------------	-------------

Gauteng Kon Tiki 2026

Competition Scoring Sheets NOT TO BE USED FOR SCORING (Penalties Will Apply)

22	Is the construction site kept tidy and safe?	Yes			No
23	Is there any rubbish lying around? (Cans; Paper; Take away etc.)	Yes			No
24	Is there a generator being used?	Yes			No
25	Is the generator being used safely? (No wires near water etc.)	Yes		No	N/A
26	If gas lights are being used; are they being used safely and in good repair?	Yes		No	N/A
27	How would you rate the team morale	Great	Good	Ok	Poor
28	Was the team ready to be evaluated within the allocated times	Yes			No
29	Is there ANY adult involvement? (This question can be remarked by any Senior Judge at any point in time)	Yes	Some	A Little	No

Raft - Model Raft

Fri 15th May 2026 16:00 to Fri 15th May 2026 21:00

Raft Model → Lashings

1	Are the lashing correct (percentage)?	100%	99% - 75%	74% - 50%	49% - 25%	24% - 0%
2	Are the lashings tight (percentage)?	100%	99% - 75%	74% - 50%	49% - 25%	24% - 0%
3	Is the string thickness proportional to the poles	Perfect		OK		Poor

Raft Model → Poles

4	Rate the pole thickness for position and scale?	Good		OK		Poor	No
5	Are the poles well cut, neatly finished off and ends smooth (percentage)	100%	99% - 75%	74% - 50%	49% - 25%	24% - 0%	
6	Are the poles colour coded for length (percentage)?	100%	99% - 75%	74% - 50%	49% - 25%	25% - 1%	0%

Raft Model → Barrels

7	Are the barrels the correct size for the model scale	Good		OK		Poor	
8	Do the barrels have both ends?	Yes				No	
9	Are the barrel lashings tight (percentage)?	100%	99% - 75%	74% - 50%	49% - 25%	24% - 0%	
10	Do the barrels indicate end caps?	Yes				No	
11	Are the barrels caps sitting horizontal (percentage)?	100%	99% - 75%	74% - 50%	49% - 25%	24% - 0%	Not indicated

Raft Model → Flooring

12	Is the flooring securely fastened to the raft?	Yes		Glued		No
13	Are the correct knots / lashings used for the job?	Yes		No		Not tied/lashed down

Raft Model → Accessories

14	Does the model have anchors?	Yes				No	
15	Is the raft number clear and correct?	Yes				No	
16	Does the raft model have a mast light?	Yes				No	
17	Does the mast light work	Yes				No	
18	Have pioneering gadgets been made?	Yes				No	
19	Does the model have a shelter for sleeping?	Yes				No	
20	Rate the decorations on the model raft	Good		Fair		Poor	None

Raft Model → General

21	Is the model useful for construction of the actual raft?	Yes		Somewhat		No
22	Is the scale of the model no bigger than 1:10 or no smaller than 1:20?	Yes				No
23	Is the scale noted on the Model?	Yes				No

24	How much does the Model fit the theme	Great	Good	Ok	Poor	None
25	Was the team ready to be evaluated within the allocated times		Yes		No	

Raft - Safety Awareness and Interview

Fri 15th May 2026 16:00 to Fri 15th May 2026 21:00

Raft Safety → First Aid Kit Contents

1	Protective gloves	2 Pairs	1 Pair	None	
2	Protective gloves in a zip-lock or closed bag	Yes		No	
3	One-way ventilator device	Yes		No	
4	An assortment of plasters	Yes		No	
5	Sterile bandages/dressings	Yes		No	
6	Triangular bandages	Yes		No	
7	Elastoplast strapping	Yes		No	
8	Antiseptic Solution (Mark only if not expired)	Yes		No	
9	Sterile gauze. (Mark only if not expired)	Yes		No	
10	Antiseptic cream. (Mark only if not expired)	Yes		No	
11	Scissors	Yes		No	
12	Tweezers	Yes		No	
13	Pack of glucose sweets. (Mark only if not expired)	Yes		No	
14	Sun Block	Yes		No	
15	Sterile or Distilled water	Yes		No	
16	A space blanket	Yes		No	
17	Local emergency phone list	Yes		No	
18	On site emergency contact number (EG Troop Scouter)	Yes		No	
19	Complete list of kit & expiry dates	Yes	No Expiry List	No	
20	Are there any expired items in the First Aid kit?	Yes (2+ items)	Yes (2 items)	Yes (1 item)	No

Raft Safety → Interview Questions

21	Rate Interview Question 1 (5 = Great, 1 = Poor)	5	4	3	2	1
22	Rate Interview Question 2 (5 = Great, 1 = Poor)	5	4	3	2	1
23	Rate Interview Question 3 (5 = Great, 1 = Poor)	5	4	3	2	1
24	Rate Interview Question 4 (5 = Great, 1 = Poor)	5	4	3	2	1
25	Rate Interview Question 5 (5 = Great, 1 = Poor)	5	4	3	2	1
26	Is the First Aid box water tight / water proof	Yes			No	
27	Will the First Aid box/bag float?	Yes			No	

Raft Safety → General

28	Is the First Aid box/bag packed neatly and orderly?	Yes	No
29	Was the team ready to be evaluated within the allocated times?	Yes	No
30	Is the scout being interviewed part of the Raft team?	Yes	No

Raft Construction - Raft Before Decoration

Fri 15th May 2026 18:00 to Sat 16th May 2026 11:00

Before décor → Flooring

1	Is the decking securely fastened to the raft base?	Yes	Somewhat			No
2	Have knots / lashings been used to attach the deck to the raft structure? (No Nails etc)	Yes				No
3	Is the decking area Less than or equal to 16 m ² (4x4 or 5x3 will be acceptable)?	Yes				No
4	What material has been used for the decking?	Poles	Planks	Boards	Pallets	IBR
5	Are there any holes in the decking large enough for a shoe to fall through?	Yes				No
6	Is the deck level and easy to walk on? (climb up and check)	Good	OK		Poor	
7	Does the deck distort / flex excessively when walking on it? (climb up and check)	Yes				No

Before décor → On Deck Structure

8	Can the materials be re-used? (i.e Tarpaulin vs cut disposable plastic sheet)	Yes	No			None
9	Will the sleeping area be effective against wind and rain and durable?	Fully covered	Partially covered		No covering/Shelter	
10	Is the sleeping area structure securely attached to the raft? (will it come off)	Yes				No
11	Has pioneering been used in the shelter (eg to support it)? and	Yes				No
12	Is the structure sturdy? (Only if Pioneered)	Good	OK	Poor	Not Pioneered	
13	Is the rope thickness correct for the pole diameter? (Only if Pioneered) (percentage)	100%	99% - 75%	74% - 50%	49% - 25%	24% - 0% Not pioneered
14	Are the lashings correct and neat? (Only if Pioneered) (percentage)	100%	99% - 75%	74% - 50%	49% - 25%	24% - 0% Not pioneered
15	Are the lashings tight? (Only if Pioneered) (percentage)	100%	99% - 75%	74% - 50%	49% - 25%	24% - 0% Not pioneered
16	Has the privacy shelter been pioneered / constructed using Scout Skills	Yes				No
17	Have safety hand rails been built with pioneering?	Staves/Poles lashed down		Rope/Chain	Other	None
18	Are the hand rails secured, sturdy and effective?	Good	OK	Poor	None	
19	Are the hand rails at an appropriate height?	Good	OK	Poor	None	
20	Does the raft have any other gadgets?	>4	3-4	1-2	None	
21	Is the raft double story? (Walking / sleeping area above 2m without prior approval from the Chief Judge - must show written approval)	Yes	Written Approval		No	

Before Décor → On Deck Shelter

22	Is there sufficient shelter for the raft crew from the elements?	Yes				No	
23	Is there a Kitchen work surface / table?	Yes				No	
24	Has the kitchen area been built with pioneering? (No commercial tables etc)	Yes		No		No Kitchen	
25	Is the kitchen structure securely attached to the raft?	Yes		No		No Kitchen	
26	Is the kitchen structure sturdy? (Only if Pioneered)	Good	OK	Poor		Not pioneered	
27	Is the kitchen structure rope thickness correct for the pole? (percentage)	100%	99% - 75%	74% - 50%	49% - 25%	24% - 0%	Not pioneered
28	Are the kitchen structure lashings correct and neat? (percentage)	100%	99% - 75%	74% - 50%	49% - 25%	24% - 0%	Not pioneered
29	Are the kitchen structure lashings tight? (percentage)	100%	99% - 75%	74% - 50%	49% - 25%	24% - 0%	Not pioneered
30	Is there an enclosed privacy shelter for the toilet area (Commercial is acceptable)	Yes				No	
31	Is the toilet privacy shelter/structure sturdy?	Good	OK	Poor	Commercial	N/A	
32	Is the toilet privacy shelter securely attached to the raft?	Yes		No		N/A	
33	Is the toilet privacy shelter/structure size suitable for occupant privacy?	Good		OK		No	
34	Is there a chemical Toilet on board?	Yes				No	
35	Have the camping/portable Toilet chemicals been checked?	Yes				No	

Before décor → Propulsion and structure

36	Does the raft have a paddle wheel?	Yes				No
37	Has pioneering been used in the construction of the paddle wheel itself?	Yes		No		N/A
38	If paddle wheel is pioneered, was it completed at the build site?	Yes		No		N/A
39	Is the raft barrel placing correct for the raft weight distribution?	Yes				No
40	Is the structure proportional to the raft and the weight distribution balanced?	Good		OK		Poor
41	Is the design of the raft practical to live on and move in the water?	Good		OK		Poor

Before décor → General

42	Is the raft construction site kept tidy, orderly and safe?	Yes				No
43	Is there any rubbish lying around? (Cans; Paper; Take away etc.)	Yes				No
44	Is there a generator on the raft built site?	Yes				No
45	Is the generator being used safely? (No wires near water, trip hazard, etc)	Yes		No		N/A
46	Is there ANY adult involvement? (This question can be remarked by any Senior	Yes	Some	A Little		None

Judge at any point in time)

47	Was the team ready to be evaluated within the allocated times	Yes		No	
48	How would you rate the team morale	Great	Good	Ok	Poor

Raft Construction - Final Inspection (Sea Worthy)

Sat 16th May 2026 08:00 to Sat 16th May 2026 16:00

Raft Final → Safety Equipment

1	Is there an approved life jacket for EACH raft crew member?	Yes	Yes, (After being reprimanded)		
2	Do the life jackets fit EVERY raft crew member correctly (Team should be wearing the life jackets)	Yes	Yes (After rearranging or resizing)		
3	Is there a Dry Powder fire extinguisher	Yes	Yes (After getting one)		
4	Is/Are the fire extinguishers size big enough (Min 1.5kg or larger)	Yes	No		
5	Is the fire extinguisher pressure correct? (In the green)	Yes	No		
6	Is the fire extinguishers expiry date OK? (Must be and 30days left)	Yes	No		
7	Is there a red flag for daytime emergencies? (1m X 1m)	Yes	Yes, after arranging one		
8	Is there sufficient clean drinking water for team? (At Least 2lt per scout)	Yes	Yes, after arranging more		
9	Does the raft have lighting?	Yes	No		
10	Is there a white mast light?	Yes	Yes, after arranging one		
11	What kind of lighting is being used?	Solar & Battery	Glow Stick	Battery	Gas None
12	Are the lights firmly attached to the raft?	Yes	No	N/A	
13	Are the lights used correctly and safely?	Yes	No	N/A	
14	Is there a red light to flash for nighttime emergencies?	Yes	Yes, After arranging one		
15	Are they wanting to use paraffin lights? (no paraffin to go on the raft)	Yes	No		
16	Does the team have an approved first aid kit?	Yes	Yes, after arranging one		
17	Are there at least 2 raft number boards?	Yes	No		
18	Are the raft number boards at least 1m x 1m in size?	Yes	No		
19	Are the raft number boards white writing on red background?	Yes	No		
20	Is there a raft number board on each long side of the raft	Yes	No		
Raft Final → Raft Design					
21	Are there hand rails that run around the raft?	Yes	No		
22	Are the handrails at an appropriate height?	Good	OK	Poor	N/A
23	Are the hand rails sturdy?	Good	OK	Poor	N/A
24	Is there a toilet on board?	Yes	Yes, after arranging one		

25	Is the toilet secured to the raft?	Yes	Yes, after securing it
---------------	---	----------------	-----------------------------------

26	Is there an enclosed area around the toilet?	Yes	Yes, after enclosing it better
----	--	-----	--------------------------------

Raft Final → Anchors

27	Number of approved anchors attached to the raft base?	Three	Two	None
----	---	--------------	------------	-------------

28	Has an anchor / fishermans bend been used to attach the anchor to the anchor rope?	Yes	Yes, after fixing it	
----	--	------------	-----------------------------	--

29	Is the rope attached to the base of the raft securely?	Yes				No
----	--	------------	--	--	--	-----------

30	Is the anchor rope long enough (min 20m) and stored neatly on the deck	Yes				No
----	--	------------	--	--	--	-----------

31	Is there a separate mooring line?	Yes				No
----	-----------------------------------	------------	--	--	--	-----------

Raft Final → Raft Theme

32	Did the Raft Team attempt to fit the theme	Yes	Some				None
----	--	------------	-------------	--	--	--	-------------

33	Is the structure itself part of the theme (Not just decorated but specifically designed as part of the theme)	Yes				No
----	---	------------	--	--	--	-----------

34	Are the materials used of a Scouting Nature (Environmentally friendly, hand made, reusable, pioneered, etc)	Yes	Some				None
----	---	------------	-------------	--	--	--	-------------

35	Does it look like the art work and decor was done by scouts?	All	Some				None
----	--	------------	-------------	--	--	--	-------------

36	Is there attention to detail	Yes	Some				None
----	------------------------------	------------	-------------	--	--	--	-------------

37	How well does the final raft fit the theme	5	4	3	2	1	None
----	--	----------	----------	----------	----------	----------	-------------

Raft Final → General

38	Is there a dedicated refuse bin on the raft?	Yes	Yes, after arranging one			
----	--	------------	---------------------------------	--	--	--

39	Was the team ready to be marked within the allocated times?	Yes				No
----	---	------------	--	--	--	-----------

40	How is the Raft Team spirit	Great	Good	Fair	Ok	Poor
----	-----------------------------	--------------	-------------	-------------	-----------	-------------

Raft Final → Model Raft

41	Is the model available at final inspection?	Yes				No
----	---	------------	--	--	--	-----------

42	How well does the model resemble the actual raft?	Excellent	Good	OK	Poor	None
----	---	------------------	-------------	-----------	-------------	-------------

Raft Final → Notices

43	Have you notified the team that all excess equipment and rubbish must be removed from the foreshore after launch?	Yes				No
----	---	------------	--	--	--	-----------

Raft Final → Final Confirmation

44	Raft is declared Sea Worthy and may launch	Yes				No
----	--	------------	--	--	--	-----------

45	What time was the team ready to launch?	Before	11h00	11h30	12h00	12h30	13h00	13h30	After
		e	-	-	-	-	-	-	14h00

Raft - On Water Judging

Sat 16th May 2026 12:00 to Sat 16th May 2026 18:00

Raft on Water → Raft Construction

1	How is the raft floating? (How much are the drums above water)	50% or more	40%	30%	20% or less
2	Is the raft level and well balanced?	Yes			No
3	Is the paddle wheel level correct to be effective in the water?	Yes	No		N/A
4	Have any lashings come loose?	Yes			No

Raft on Water → Raft Decoration

5	How well are the raft decorations holding up	Great	Good	Poor	Not at all
6	Are the decorations dragging in the water	Yes			No
7	Has the team removed their decoration	Yes	Some	No	

Raft on Water → Environmental Impact

8	Is there rubbish on the deck or blowing off the raft (IE not in a bin)	Yes			No	
9	Is there debris or oil slick surrounding the raft that originated from the raft	Yes			No	
10	What lighting is being used	Solar and/or Battery	Glow sticks	Gas	Other	None

Raft on Water → General

11	Are any members rowing from the outside of the handrails?	Yes			No
12	Does the raft still have sufficient shelter for team?	Yes			No
13	Is the whole team wearing life jackets?	Yes	No - First warning	No - Second offence (automatic DQ and report to chief judge immediately)	

Raft - Meal Competition

Sat 16th May 2026 15:15 to Sat 16th May 2026 17:30

Raft Crew is to prepare a theme based meal - Only Main ingredients will be provided

1	Was a prayer said before the meal?	Yes	No
2	Were you offered water to wash hands before the meal?	Yes	No
3	Was the hand wash water warm	Yes	No

Raft Meal → Judging

4	Were you offered a drink with your meal?	Yes	No			
5	Were you offered condiments (Salt and pepper etc)	Yes	No			
6	Rate the overall presentation of the meal	Excellent	Good	OK	Poor	None
7	Rate the overall taste of the dish	Excellent	Good	OK	Poor	None
8	Was the meal properly prepared / cooked (Not raw, over cooked or burnt)	Yes	Mostly	Some	No	
9	Was the meal presented at the correct temperature	Yes	Mostly	Some	No	
10	Rate the Scouts knowledge of cooking (pick 3 questions from the list)	3/3 correct	2/3 correct	1/3 correct	0/3 correct	
11	How well has the theme influenced the meal?	Significant	A lot	Some	Poor	None

Raft Meal → Hygiene

12	Were the plates and utensils clean?	Yes	Fairly	No
13	Were the waiters/servers presentable and clean?	Yes	Fairly	No
14	Was the food covered before presentation?	Yes	No	

Raft Meal → General

15	Was the team ready to be evaluated within the allocated times	Yes	No		
16	Rate the teams current morale	Great	Good	Ok	Poor
17	Were all the ingredients prepared and served?	Yes	No		
18	Rate the effort the Team put into their Raft Meal	Excellent	Good	Fair	Poor

Registration

Mon 11th May 2026 06:00 to Fri 15th May 2026 21:00

Mixed Gender Consent Form

1	Is the team a mixed gender team?	Yes	No
2	If so; do they have a Mixed Gender Consent Form?	Yes	No N/A
3	Is the Mixed Gender Consent Form correctly filled in?	Yes	No N/A

Cellphone Registration

4	Has the team submitted a Cellphone Registration Form?	Yes	No
5	Is Cellphone Registration Form correctly filled in?	Yes	No

Consent Forms

6	Were all the Consent Forms handed in at registration? (Scouts and Adults)	Yes	No			
7	Has the team submitted a Consent Summary Form?	Yes	No			
8	Is Consent Summary correctly filled in?	Yes	No			
9	How were the consent forms handed in?	Online	Rain Proof USB	Paper Based	Rain proof QR code	Other

Logbooks → General

10	Was the RAFT log book handed in while registering?	Yes	No
11	Was the SUPPORTERS log book handed in while registering?	Yes	No
